RE: Leson Chevrolet Company, Inc. v. General Motors, LLC  
LMVC Complaint No. 2010-040

Dear Ms. House:

As you may be aware, the Bankruptcy Court in the Southern District of New York has ruled that it has exclusive jurisdiction over Leson's controversy with GM, which is the subject of Leson's complaint filed with this Commission on September 14, 2010. A copy of this ruling is attached for your ready reference and review.

As you will note Leson has been ordered to . . . "dismiss the action pending against General Motors, LLC without prejudice and that the U.S. District Court for the Southern District of New York, shall have and retain exclusive jurisdiction to hear and determine all matters arising from or related to the Leson Action;".

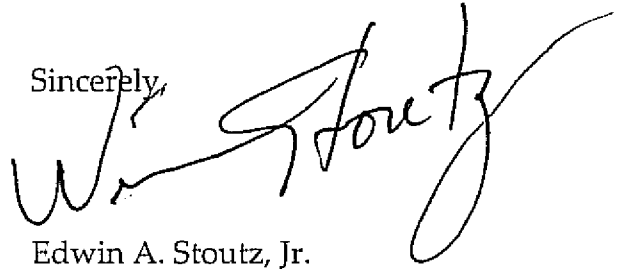

Leson, of course, reserves its right to appeal this ruling. In the interim, therefore, Leson respectfully requests that this Commission dismiss Leson's September 14, 2010 Complaint *without* prejudice, each party to bear its own costs. Leson reserves all rights provided under Louisiana Law particularly, but not limited to, the regulatory powers of your State Agency and the State of Louisiana.

If it should be necessary for me to file a formal Motion, kindly advise me and I will accommodate the Commission without delay.

Should you have any questions, please do not hesitate to call.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Edwin A. Stoutz, Jr.", with a large, stylized flourish extending from the end of the name.

Edwin A. Stoutz, Jr.
